Storage Tubs

Modular Bin

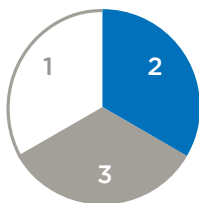

The Essential Storage System

With applications spanning across multiple Industries, these robust Storage Tubs offer “Stack or Nest” functionality and easy to clean interior surfaces. Moulded from durable and UV Protected Polyethylene, these tubs are suited to heavy duty applications.

Features:

- > Food Grade Polyethylene
- > Easily Cleaned, Smooth Internal Surfaces
- > Durable and Impact Resistant
- > Lid available for all Tub Sizes
- > 100L & 200L tubs share the same L x W dimensions for mixed stacking or nesting

Standard Colours

- 1 White
- 2 Blue
- 3 Birch Grey

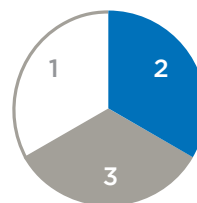

CODE	DESCRIPTION	DIMENSIONS (mm)
STT100	Storage Tub 100ltr	1000L x 300H x 580W
STT100L	Storage Tub with lid 100ltr	1000L x 300H x 580W
STT200	Storage Tub 200ltr	1000L x 570H x 580W
STT200L	Storage Tub with lid 200ltr	1000L x 570H x 580W
STT300	Storage Tub 300ltr	1165L x 730H x 580W
STT300L	Storage Tub with lid 300ltr	1165L x 730H x 580W

Large Volume – Small Footprint

With a generous 200L of Storage capability, this multi-purpose bin is of modular design to allow for side-by-side placement in storage arrays. The unique lid design of this bin provides weather and vermin proof protection to the bin contents. Cleaning and de-contamination is made easy due to smooth and flat interior surfaces.

Custom Colour Coding:

Modular Bins are available in a large range of colours including standard Food Industry Colours to assist with hygiene requirements and integrate with storage coordination schemes.

Standard Colours

- 1 White
- 2 Blue
- 3 Birch Grey

Poly Buckets

Poly Scoops

Buckets that Last

1 Handi Bucket

This 16 Litre Bucket is a lightweight and economical option with endless applications. Standard Colour is Charcoal, other colours on request.

2 Poly Bucket

With 20 litres capacity, this durable bucket offers several design features:

- > Stackable when empty
- > Heavy Duty S/S Handle and underside hand grip for ease of pouring
- > Calibrated with Litre Increments
- > Flat Side helps prevent leg contact when carrying a full bucket

Ergonomic Dispensing

Poly Scoop Features:

- > Holds 3.8 Litres or approx 2.5kg of dry bulk
- > New Ergonomically Designed Handle
- > Will sit flat on end or side
- > One Piece Moulded Construction
- > Food Grade Polyethylene
- > Available in Food Colours

Poly Trough Features:

- > Self Draining base c/w
- > Drain bung for easy cleaning
- > Can be plumbed as a sink or Wash trough
- > Available c/w stand as shown
- > Dimensions: 640W x 520D x 420H

Stackable Bins

Hexa-Storage

Essential to Industry

These robust bins are designed to stack when full. They have slightly tapered sides which allow them to be nested when not in use.

Features:

- > Available with optional Weatherproof Lid
- > Resistant to most chemicals & hazardous waste
- > Cost effective alternative to Stainless Steel
- > Food Grade Polyethylene
- > Also available in optional Food Colours

Wheelie Options:

- > Available for both 100 & 200 litre bins
- > 360° Castors for easy of maneuvering

STACKABLE BINS

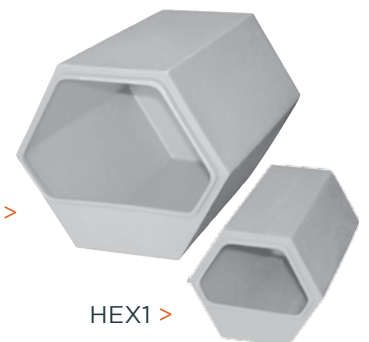

CODE	DESCRIPTION	CAPACITY
STB50	Stackable Bin	50 ltr
STB50L	Stackable Bin with lid	50 ltr
STB100	Stackable Bin	100 ltr
STB100L	Stackable Bin with lid	100 ltr
STB200	Stackable Bin	200 ltr
STB200L	Stackable Bin with lid	200 ltr
STB100LW	Stackable Bin with lid and wheels	100 ltr
STB200LW	Stackable Bin with lid and wheels	200 ltr

Interlocking Storage Solution

For those many parts that are never in the right spot. This proven storage system interlocks, and makes best use of your available storage space.

Features:

- > Simply Bolt or Screw together to create free-standing storage
- > Robust Construction
- > Adequate space for cell labels
- > Easy open access to parts

Colours Available

- 1 Light Grey
- 2 Trans Blue

HEXA-STORAGE CONTAINERS

CODE	DESCRIPTION	DIMENSIONS
